

How to Get Your Pup Ready for Boarding or Daycare

Find a Place for Your Pup:

- Check the reviews/go for a tour. Ask questions!
- Bring your dog for a long visit or for a day of daycare first
- Book early/ don't wait till last minute

Make Sure That You:

- Fill out paperwork ahead of time
- Stay up to date on vaccines
- Use flea & tick preventatives
- Don't make any changes to food prior to their visit

Don't Forget to Bring:

- Familiar items
- Extra food
- All medications with detailed instructions

Bonus Tips:

- Expend some energy before you drop him/her off
- Stay calm & relaxed when dropping off your pup.
Usually if you don't make a big deal about it your dog won't either!
